

# Laboratory Safety Comic Strip

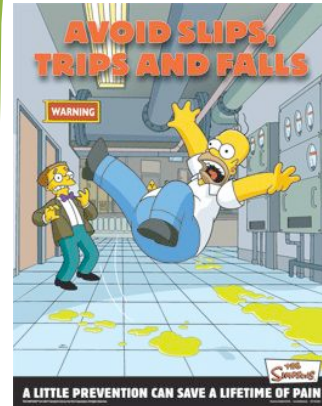

**Purpose:**  
To illustrate four lab safety contract rules.

**Procedure:**

- Illustrate at least four of the lab safety contract rules in comic strip form. Your comic strip should clearly show which rules you are illustrating. You may do one rule per pane OR create a story line. You should create a border around each pane of your comic strip.

- Additional blank comic strip panes may be drawn in.

Your Comic Strip will be graded as follows:

- |  |          |
|--|----------|
| ○ The comic strip illustrates at least four lab safety rules | 6 points |
| ○ The comic strip includes dialogue.                         | 1 point  |
| ○ The comic strip is colorful.                               | 1 point  |
| ○ The comic strip has a border around each pane.             | 1 point  |
| ○ The comic strip is interesting and creative.               | 1 point  |
